We often think that when we have completed our study on one we know all about two because two is one and one we forget that we have still to make a study of "And"

We build up

the "Solidarity conceit"

- that breaks down as we examine - differences yet commonality of those we work with does + does not

- what rule, ruling systems - picking order? - what over the system - the job is as important read page 39 about similar

- Throwing business - get in very easy to be caught up in the privilege of position - privilege of group
