We often think that when we have completed
our study on one we know all about
two because two is one and one
we forget that we have still to make
a study of "and"

- We builders

TR   "Solidarity conceit"
      —that breaks down as we
examine — different yet communed by
those we work with does + lies
h

- what rule ruling systems — pecking
order? — what over the status — the job is
as important read page <u>39</u> about similar

     —Thisious because — yet is very easy
to be caught up in the privilege of position
— privilege of group
