JOURNAL OF THE INSTITUTE FOR RESEARCH

The Institute for Research is an unincorporated, non-profit, organization which is associated with Seattle Pacific College in Seattle, Washington. The Journal is published by the Institute to present scholarly works of the faculty and associates, and to report on progress of research projects and programs of the Institute. Technical reports of specific research problems are made available through supplementary issues of the Journal. Information concerning the Institute may be obtained by writing to:

George McDonough, Editor
