For the DNP Graduating Class of 2020

*Keep alert, stand firm in your faith,
be courageous, be strong, do everything in Love.*

--1Cor: 16:13-14

You have brought your full self
to the good of the whole.
You have accepted challenges
with grace, persevered
in the face of health struggles,
changing projects,
a changing healthcare landscape.
You have cared for each other
in and out of the classroom.
You have been courageous.
You have laughed and made us laugh.
You have learned from each other
and taught us.
You are the leaders
we are so grateful for.
