Dear All,

It's Sat. evening- The children
are all in bed and the six
pairs of shoes are all polished
and waiting in a row for
Sunday School tomorrow so I'll
take time for a letter to you.

We were disappointed that
none of you could make it
down for Thanksgiving. We really
had a full but enjoyable day.
At about 10 A.M. Bro. + Sis. Trepus +
family and Miss Stickney - all
missionaries at Oak-dale, Ky. came.
We had a short visit then all
went over to the school and
joined 42 other S.P.C. alumnus [sic]
+ families for dinner. We had
a 22lb. turkey with all the
trimmings. The Seminary cooks
roasted the turkey + dressing

and we each contributed one
dish so it wasn't much work
for any-one - we really enjoyed

it. In the evening the 5 Free
Meth.[odist] Japanese students came
over for supper- we had
Japanese food (a welcome change
after so much turkey at noon)

It snowed here a little on
Thanksgiving + more yesterday
and has been real cold. The
children are enjoying their
few days of vacation. Jake is
typing his 4th term paper
and has two note-books yet
to do before final tests. This
has been a stiff quarter for
him.

Jake's story "Bombadier (sic) Goes
Back" is to be on television

next wk. - If you get this
letter in time perhaps you
can get it on Channel 9
Station WCRG Cedar Rapids
at 9:30 P.M. on Tuesday Nov. 27th.

I'm sorry I didn't get this
sent sooner so you'd be
sure to get it.

Last Sunday we all went
to D.Q.M. at Oak-dale. It was

the first time we had visited
the school there although we
had been in Trepus' [sic] home
before. They are doing a fine
work there reaching many
of the mountain people
with the Gospel.

I was sorry to hear of Uncle
Willie's death. Did he have
another stroke?

We plan to come up for
Christmas if possible. The children
School [sic] isn't out until the 21st
and also our check won't arrive
until about then - we need to
get some new tires for the car
and do some Christmas shopping
after that so probably won't be
able to make it until the 24th.
We may have a service in
Ohio on the 23rd. We'll let you
know later. Do you have room
for us all?

I'd better close + get this to
a mail-box - then bathe,
wash my hair + get to bed.

See you in a few more days.

Love,

Florence
