

102 Pleasant-View

Wilmore, Ky.

June 7, 1957

Dear Folks,

I am a widow again. Jake left this evening for Charlotte, Mich. and then to N.Y., Pa., Ohio etc. He will be gone for about two weeks.

We are all quite well. I went to the Dr. today as I have a touch of poison-ivy [sic] and I wanted to get some medicine for it - also I got my second polio shot.

During Jake's few days at home he built a sand-box + swing for the kids + worked on the yard and garden - also we've been fishing, swimming, boating or picnicking almost every day. Now I'll have to get down to

-Page Break-

house-cleaning in earnest. I still have the two bed-rooms [sic] to do and the rest will need a bit of going over again.

How is Bible School coming this year Phyllis? we are all eager to hear when you are coming to Wilmore. Our cat has a new

baby kitten. The children are
thrilled with it.

Mom, could you send me
Herbert's address again. [sic] I think
you sent it once but I can't
seem to locate it. On our way
to N.Y. in July we plan to visit
Washington D.C. and if it's on
the way perhaps we could get
to see Herbert + Ruth.

This has been a warm day
82°- but so far the nights have
been cool + nice for sleeping.
how is it in Iowa?

Will some of you folks be
-Page Break-
going to Iowa Camp Mtg? We will
be there for at least part of the
camp and are looking forward
to seeing all the folks again.

Did Fran find work? I guess
that she misses June a lot.
Will she be able to come down
with Margaret + Phyllis?

Must close,

Love to all

Florence
